THE BHARATHI SAMVAAD

Message From the Vice Principal

As part of the Bharathi family, we are privileged to present the third edition (Volume 2 | Issue 1) of our school's official newsletter - The Bharathi Samvaad.

This academic year has been marked by remarkable achievements. Our students have earned great distinction by being selected to represent our school at the national level in Sports like Basketball, Volleyball, Kho-Kho, Athletics, Swimming, Shooting, Yoga, and Table Tennis, and by qualifying as semi-finalists in the Debate Competition conducted by CISCE. These accomplishments stand as a true testimony to their perseverance, dedication, and the constant mentorship of our faculty.

Furthermore, the celebration of diverse festivals with the active participation of our parents has enriched our school ethos and reinforced the values of vitality through harmony, inclusivity, unity, and culture, strengthening the bond as one family.

We extend our heartfelt gratitude to the entire Bharathi family for their continuous support and trust.

May we continue to nurture excellence, uphold virtues, and build a lasting legacy together.

With Warm Regards,
Renu B

INVESTITURE CEREMONY

PRESENTATION OF COLOURS

A badge is not merely a symbol of victory or an ornament to show that one has won. It carries something far more valuable - it represents pride, trust, responsibility and leadership.

On 2nd July 2026, Bharathi School celebrated the Investiture Ceremony. When a badge is pinned to your uniform, it is not just an honour; it is a reminder that others have placed their trust in you. Its true value lies not in the badge itself, but in the person who wears it and the way he or she carries the responsibility that comes with it.

This year, new posts for the school's editing team were introduced. The pen is the tongue of the mind, and we hope these new editors will represent it well.

The oath was not just words, but a promise and commitment to serve the student community with integrity.

As the wind blew upon the performing school band, the faces of our leaders glistened with the sweat of honour. Each leader shared fiery words about the work they had signed up for. The ground was awash with the four proud house colours of Bharathi, whose votes had brought the leaders to the stage. The Investiture Ceremony 2026 - 27 proved to be a moment of rejoicing for the young and valiant leaders.

The chief guests were Mr R Pattabiraman and Mrs S Piriyaa, the proud parents of Sreeja R P, the school's Grade 10 topper for the academic year 2025-26. The leaders then addressed the gathering, sharing their thoughts and visions. As the ceremony approached its conclusion, the Bharathians realised that the Investiture Ceremony was not only about celebrating new leaders, but also about reaffirming the school's commitment to building a community where every voice matters.

A SILENT RIPPLE - BEYOND THE SURFACE

SEMINAR ON DRUG AWARENESS

A seminar on drug awareness was conducted for the students of Grade 9. The resource person, Dr Sharanya, engaged the students in an interactive session on the harmful effects of substance abuse. She explained how toxins like nicotine and carbon monoxide affect the body and how a single dependency adversely impacts not only the individual but also the family and future generations.

Furthermore, she encouraged the students to live a drug-free life and to be brave enough to say “NO” to peer pressure and harmful substances. The session was informative and helped the students understand the importance of making healthy choices.

CISCE GIRLS' BASKETBALL TOURNAMENT 2026

ZONAL

Bharathi School recently hosted the CISCE Girls' Zonal Basketball Tournament 2026, for Zone B on 17th and 18th July, 2026. The matches were marked by an electrifying atmosphere, with remarkable enthusiasm, determination, and sporting spirit. Even the substitutes remained actively involved, constantly cheering and motivating their teammates. Their unwavering support reflected the true essence of sportsmanship. A total of 32 teams from 17 schools across Coimbatore and Nilgiri districts participated with great zeal in the U-14, U-17, and U-19 categories.

REGIONAL

Bharathi School conducted the CISCE Regional Girls' Basketball Tournament for the Tamil Nadu and Puducherry region on 26th and 27th July 2026. It had active participation from 12 teams across the U-14, U-17, and U-19 categories from Zones A, B, C, and D, which included the ever-zealous players of our school. The competition grew tougher with regional powerhouse teams taking the court, making every fast break and tactical play crucial.

As the final whistle blew, the tournament concluded not just as a display of athletic excellence, but as an extraordinary showcase of passion, discipline, and inter-school friendship. It was a true celebration of resilience, grit, and unity. The event left our campus buzzing with energy, cementing a proud legacy of sportsmanship and brotherhood which will inspire future athletes. Dr Mrs Saro Dhanarajan, the Regional Sports Co-ordinator, felicitated the winners.

TRAFFIC AWARENESS PROGRAMME

Bharathi School hosted an extraordinary traffic awareness session on 12th August, 2026 to cultivate a road safety culture among the students of Grade 8. Mr Murugesan, the Sub-Inspector of Traffic Police, Coimbatore, graced the occasion and delivered an eye-opening and illuminating address on adhering to traffic regulations.

He detailed various violations, including drunken driving, driving without a valid license, reckless overspeeding, breaching no-entry zones, and so on. His earnest tone and words left the room in utter silence and enabled the listeners to realise that traffic laws are non-negotiable. At the end of the session, the students took a solemn oath to follow the rules and regulations to live in a safer community.

INDEPENDENCE DAY CELEBRATION

STANDING TALL - A GRAND SALUTE OF PATRIOTISM

The morning brought synchronised waves of excitement as our school celebrated the 80th Independence Day with vigour and patriotism. A well-organised group of students commenced the event, marching with impeccable discipline and immense national pride that captivated the multitude present. The powerful patriotic songs resounded through the air, deeply stirring the cheerful crowd and leading into luminescent cultural performances that highlighted our diverse heritage. This unforgettable celebration ultimately left an indelible, meaningful impression on all of us, significantly heightening our collective love and respect for the country.

PRECISION, PRIDE, PERSEVERANCE MARCHING INTO TOMORROW (THE PASSING-OUT PARADE)

The Independence Day Celebration was followed by the passing-out parade of the NCC cadets. NCC builds discipline and leadership in cadets, and the passing-out parade was the culmination of such qualities. The ceremony commenced with a flawless formation by Scouts and Guides, Cubs and Bulbuls, displaying impressive coordination and aspiring to become adept cadets like their seniors. Their rhythm with the band's beats shifted the tone with fierce commands weighing on the air. The cadets, recognised for their rigorous training, received certificates for accomplishing milestones and were decorated with distinguished ranks.

The NCC song and the national anthem were the ceremonial concluding events.

ONAM CELEBRATION

Onam, the joyous harvest festival of Kerala, transcends regional boundaries and spreads a message of love, harmony, and unity. On 21st August 2026, the campus came alive with the vibrant colours, rhythmic beats and traditional fervour of Onam. The celebration beautifully reflected India's rich cultural heritage and the spirit of unity in diversity.

The celebration was organised by the students of Grades 6 and 7. The programme began with a soulful devotional song, followed by a colourful array of traditional performances, including Thiruvathirakkali, Mohiniyattam, Pulikali, and more. A captivating drama depicting the story of King Mahabali brought alive the significance and traditions of Onam for the audience.

The celebrations concluded with an energetic boat dance, in which the students came together with great enthusiasm. The presence and encouragement of the parents added warmth and joy to the occasion.

A Pookkalam Competition was also organised for the students of Grades 9 to 12, adding colour and creativity to the festivities.

The 2026 Onam Celebration was more than just a cultural event. It was a celebration of friendship, togetherness, and cultural appreciation, beautifully bridging traditional heritage and modern school life. The day left students, parents, and staff with cherished memories of joy and unity.

KRISHNA JAYANTHI CELEBRATION

Flutes, smiles, mischief, and divine charm filled the air as our children of UKG brought Vrindavan to life! The Krishna Jayanthi Celebration began with a sweet prayer by our tiny tots, followed by a delightful narration by our little granny, who shared the significance of the festival and enchanting tales from Krishna's childhood with her grandchildren.

The stage soon transformed into a magical world of Krishna's Leelas. Through vibrant dance and lively enactments, the children portrayed Krishna's divine birth, the playful Damodar Leela, the spectacular Kalinganarthanam, and the lifting of Govardhan Hill.

The festive spirit reached its peak with the traditional handi-breaking ceremony, recreating Krishna's playful love for butter and curd. Dressed in colourful costumes and radiating joy, our little performers captivated the parents, students, and teachers with their innocence, enthusiasm, and confidence.

Dear Parents,

We are happy to announce a joyful new direction for our celebrations for the academic year 2026-27.

This year, our annual day will take on a novel and exuberant form. The yearly celebration of a single-day event will transform into a season of learning, joy, and togetherness.

In the first term, our children from Grades 6, 7, and Kindergarten showcased their talents during our grand celebrations of Onam and Krishna Jayanthi, respectively.

The following term will witness many such celebrations with more zealous participation from various grades.

We believe a festival is the most beautiful stage for learning. Through music, dance, drama, and traditional performances, every child will have the opportunity to perform, express, and shine in front of their parents.

Regards,
Bharathi News Desk
